American University of Beirut
Department of Electrical and Computer Engineering
EECE 350 – Computer Networks
Homework 4
Spring 2015

Due Friday March 20 in class.

1. OPNET network design experiment – Posted on Moodle. Note that while the experiment refers to OPNET IT Guru Academic Edition 9.1, you may need to download and use Riverbed Modeler Academic Edition 17.5 instead.

2. Wireshark exercise posted on Moodle.
