Essay question
60 % (70 minutes)

SUBJECT:

The memory and heritage of our past can only be meaningful in the present, if their standing and excavated archaeological remains and information are accessible in relevant and attractive contexts today.

- How do you explain the success of some heritage presentations today?
- Critically discuss the existing projects for the integration of heritage information in the Beirut City Center.
- What are YOUR ideas concerning archaeological remains of the five thousand years of Beirut's past and their possible presentation to the public in the City Center?
