

AMERICAN UNIVERSITY OF BEIRUT
Political Studies and
Public Administration Department

Dr. Sh. Masri

PSPA 225

Final Spring 1996

Question No. 1:

- A. International agreements: Reservation, amendment, suspension, withdrawal & termination.
- B. Cases of universal and partial succession with their legal effects.

Question No. 2 :

- A. Delinquent responsibility of the state in ordinary cases and in belligerency.
- B. Explain comparatively adjudication and arbitration on one side and the legalized intervention of the security council on the other side.

Question No. 3:

The traditional international law was mainly aiming at the achievement of international order and stability. But after certain developments the concepts of international justice and welfare were introduced to the basic realms of international law.

Explain why, how and to what extent with examples

Good Luck

Sh.M/sa
