

**American University of Beirut**  
**English 215: The Idea of Culture in British Literature**  
**Spring 2003**  
**Prof. Andrew Long**  
**Final exam notice**

The **final exam** is re-scheduled for June 5<sup>th</sup> at 9 a.m. in Nicely 103. The format and assignment for the exam follows.

In a well organized essay discuss **one** of the following keywords with reference to Howards End and one novel from group A (Psmith in the City, Sons and Lovers) and one from group B (London Fields, White Teeth). You must provide quotations from each text—show me that you read the novels carefully—and you must write an essay (thesis, argument,...) using the full two hour period! Related all of them to culture as per the course. You may use your books but not your notes. The keywords are:

Family

Money

Work (labor)

Gender (Women....)

City (added 6/4)
