Final Exam

In a well organized essay of at least 7 pages in your exam booklet, discuss rupture and/or continuity in 20th century British literature as understood from the texts we read this semester. You must refer to (quote) either *White Teeth* or *The End of the Affair* and one text from group A and one text from group B. Do not confuse this !!!
The groups are as follows:

Group A: Orwell essays. Auden poems, *Endgame*, *The Code of the Woosters*

Group B: Eliot poems and essays, Yeats poems. *Mrs. Dalloway*, *The Good Soldier*, *The Secret Agent*

You may not substitute *The Rainbow* and you must refer to texts you have not written about in previous assignments. Eliot is the exception, as per our discussion.
