

American University of Beirut  
Department of Political Studies and Public Administration  
Fall 1996-7  
Final Exam

Course Number: PSPA 233  
Course Title: Survey of International Relations  
Prof.: M. Nehme

Treat only one of the following questions

1. Among the most contributions of the United Nations to the security and well-being of the world community is the provision of channels and programs for dealing with short and long-range problems. Explain the role and function of this international organization in respect to such contributions.
2. Assess the significant role, function and possible impact of regional organizations and transnational activities on world politics. Try to elaborate on how much the United Nations is in control of these activities.

Good Luck
